Treatment of Animals**

TA-DAN SELECT

European Imports

We carefully select natural skin care products and elemental essential oils from Europe for our membership and charity partners.

TA-DAN
SELECT

Natural Skin Care Products

die Nikolai: the winery Nikolaihof Wachau, Austrias oldest vinery with almost 2,000 years of history. Today we are still using the basements, built by Romans to store our wine. After the Romans Nikolaihof has been a monastery for almost 1.000 years. Back in 1894 the owner family Saahs was able to acquire the estate and cultivates the vineyards eversince.

Elemental Essential Oils

Dr. Eberhardt: an Austrian family business with employees from Burgenland. We put our heart and soul into working every day for you and our products. For innovation and more enthusiasm.

Classical Music Master Design

What's Yours: create the new image of the classical music master, design the commemorative coins and badges for special events.

The background of the slide is a light-colored wood grain texture. In the top-left and top-right corners, there are branches with bright green, oval-shaped leaves. The main text is centered on the page.

TA-DAN TOGETHER

Partnership: Giant Resource Pools

15% platform service fee will be charged for each transaction, of which 5% will be allocated to international public welfare organizations. Only the government agency partners will not be charged any service fee.

TA-DAN TOGETHER

Global City Resource Pools

We have 26 partners in the main city of the Europe-Asia, we will build up the giant resource pools for all membership and partnership.

TA-DAN TOGETHER

Function for Partnership

We create the multiple functions for partnership.

Business

Partnership could establish effective sales channels through the listing of products and services. Partnership also could gain more new customers through the giant resource pools.

Social Network

Partnership could effectively promote through listing activities and invitations. Partnership could obtain more new cooperation agreements through the giant resource pools.

Education

Partnership could effectively expose their courses and enrollment information. Partnership could acquire more new students through the giant resource pools.

Charity Image

Partnership could increase corporate social image by participating in public welfare activities and consumption. Partnership could comply with the international trend of ESG+CSR.

TA-DAN TOGETHER

Extra Functions for Government Agency Partners

 We create extra functions to match more resources for government agency partners.

Public Affairs

Government agency partners could establish public issue with promotion and discussion on TA-DAN TOGETHER.

Press Releases

Government agency partners could publish official press releases on TA-DAN TOGETHER.

Fundraising Zone

Considering the accounting process of government agencies, government agency partnership could propose fundraising plans and we will set up a fundraising zone on TA-DAN SELECT. (It will be not charged any service fee)

TA-DAN TOGETHER
